

# Funeral Planning Guide

---

- Choose a funeral home / director
- Decide either a burial or cremation
- Select the type of service (family viewing, private prayer, visitation, etc.)
- Select someone you wish to officiate the service
- Choose floral arrangements - inside vases, or standing pieces, on top of the casket, etc.
- Prepare what you wish the deceased to wear (if buried in a casket)
- Choose the desired casket/container
- Prepare a written obituary
- Notify close family & friends of the service
- Prepare any information necessary to create the death certificate
