

# 5 Amazing WordPress Forms You Can Use

Forms - the absolute critical piece of any website. You better have a good one, else you know your customers won't be happy! Here's I've listed the top 5 WordPress forms I've used and love it. Highly recommended!

---

- Gravity Forms (without a doubt!)
- Ninja Forms
- Formidable Pro
- Caldera
- OptinMonster

**You know as much as I hate to pick up a favorite from anything, but Gravity Forms is something everybody needs to check out!**
