

20 Zoom Meeting Activities and Games Ideas for Teachers

Whenever you feel like your students (or you) need a little pick me up on Zoom, use this free checklist full of Zoom activities and games for your classroom zoom meetings.

- 1** READ A STORY TO YOUR CLASS (gives them time to relax and recharge)
- 2** PLAN A SHOW AND TELL (pick a few students ahead of time to share with the class something they have been working on or a favorite toy)
- 3** CREATE A CLASS MASCOT (use a puppet or soft toy to lead a song or explain an activity)
- 4** PLAY BINGO (have your students create a bingo board ahead of time, you can practice spelling words, themes you are working on, etc)
- 5** PLAY 20 QUESTIONS (Pick something related to what you have taught that day)
- 6** SCAVENGER HUNTS (Give the students to find something in their home that starts with a certain letter, color, makes them feel... etc)
- 7** SCHEDULE DRESS UP DAYS (Gives the students a chance to wear something fancy or fun to their zoom)
- 8** MYSTERY BAG OR BOX GAME (Put something in the box related to what you are teaching that day and have the students guess what's in the box)
- 9** EASY SCIENCE EXPERIMENTS (Have the students predict or draw a picture of what they think will happen)
- 10** LEARN A NEW SONG (have some kind of movement along with it)
- 11** SET UP A TRIVIA GAME (weekly review of what the students have learned or a practice before a test)
- 12** PLAY SECRET CHARACTER (Similar to the game Guess Who but using students from your class)
- 13** PLAY BOGGLE (Give the students 10 letters and see how many words that can create or come up with)
- 14** CREATE A WORD MATH PROBLEM OR RIDDLE (have the kids solve, a good activities for the beginning or end of a zoom meeting)
- 15** PLAY SCATTERGORIES (Pick a letter and come up with a least seven things the students have to think of that start with that letter)
- 16** PLAN A TALENT SHOW (Give your students a few days to come up with their special talent)
- 17** JOURNAL TIME (Give the students a prompt and give them time to draw and write)
- 18** CREATE A CLASS STORY (You can start the story and have each student come up with a sentence or two)
- 19** WOULD YOU RATHER (Create the questions and two scenarios ahead of time)
- 20** PLAN A VIRTUAL FIELD TRIP (You can lead with sharing your screen, just Google "virtual field trips for kids" to plan)
